How to create your WISE account

- 1. Create WISE account using link below:**
 - <https://wise.com/invite/w/ryont1>
- 2. Create Your Account:**
 - Once installed, open the app and begin the account creation process.
 - Enter your email address and create a secure password.
 - Follow any additional prompts to verify your identity as required by WISE.
- 3. Verify Your Identity:**
 - WISE may ask for verification to comply with regulatory standards. This could involve uploading a photo of your ID or passport and possibly providing additional information about yourself.
- 4. Set Up Your Profile:**
 - After verification, complete your profile by adding your personal details, including your full name and address.

How to Make Payments Using WISE

- 1. Open the WISE App:**
 - Launch the WISE app on your device and log in to your account.
- 2. Initiate a Transfer:**
 - To send a payment, navigate to the "Send Money" section within the app.
- 3. Enter Recipient Details:**
 - Input email address: rtan.marketing@gmail.com
- 4. Enter Payment Details:**
 - Specify the amount you wish to transfer in your local currency. WISE will automatically convert it to the recipient's currency.
- 5. Review and Confirm:**
 - Double-check all details, including the amount and recipient information.
 - Confirm the transaction. WISE will show you the exchange rate and any fees applicable.
- 6. Complete the Payment:**
 - Once you confirm the transaction, WISE will process the payment. You will receive a link to track the progress of your transfer.
 - Copy the tracking link and paste it in the application form (Google Form).
- 7. Track Your Payments:**
 - You can track the status of your payment within the WISE app. Notifications will also keep you informed about the progress.
- 8. Receipt and Confirmation:**
 - After the payment is successfully processed, you will receive a receipt in the app and via email confirming the transaction details.

Additional Tips

- **Currency Conversion:** WISE offers competitive exchange rates and transparent fees. You can review these before confirming your payment.
- **Customer Support:** If you encounter any issues or have questions about using WISE, their customer support team is available to assist you directly through the app or their website.
